Communication

If you need to contact us at school about any queries, issues, or absences, the first point of contact is by calling us on 028777 63887. The school office opens at 8.30am each morning.

Seesaw remains an important way to share information with you. However, it should not be used as a means of communication between home and school. Teachers are not able to use Seesaw to communicate with you during the day or evening. Please call us at school to make an appointment.

Punctuality

We would like to remind all parents that the school doors open at 8.45am for anyone not attending breakfast club. Children should be in the Assembly Hall in time for the 9 o'clock bell. Classes start at 9.10am after registration. Children arriving after registration closes at 9.30 will be marked late for the morning session. Children who are frequently late disrupt their own education and that of others.
